<b>Employer Details</b>		
<b>Employers name</b>	Pennon - South West Water	
<b>Employers anonymous name (if selected)</b>		
<b>Employer Description</b>	<p>South West Water is a wholly-owned subsidiary of Pennon Group Plc, a FTSE 250 business which also owns Viridor, one of the UK's leading recycling, renewable energy and waste management companies. We provide reliable, efficient and high quality drinking water and waste water services throughout Cornwall and Devon and in parts of Dorset and Somerset.</p> <p>South West Water came into being in 1989 with the privatisation of the water industry. More than 715,000 households and 74,000 businesses rely on us to deliver safe and clean drinking water and safely dispose of wastewater 24 hours a day, 365 days a year. Meeting our customer needs, along with our environmental and legislative responsibilities and obligations is the focus of our operational activity.</p> <p>With 1,500 employees, we have brought the region's drinking water, sewerage systems and bathing waters into line with the stringent UK and European Union standards. This extensive programme of environmental improvement has resulted in some of the finest bathing waters in Europe, picturesque scenery and clean rivers with stunning wildlife.</p> <p>We believe that by investing in the future of our region, we are not only improving the quality of life for today's residents and visitors but are also taking responsibility for future generations.</p>
